

Curb Appeal

In need of curb appeal? Our staff of Landscape Architects are here to help. Below is an example of how quickly and easily you can improve the curb appeal of your property.

New plantings such as Endless Summer Hydrangea, Limelight Hydrangea and Dwarf Fothergilla were intermixed with existing Boxwood hedges to introduce more color and variety to the front entry. Additional Boxwood hedges, summer annuals and large specimen Autumn Brilliance Serviceberry were added closer to the street give an estate feel.
