

## Project Spotlight: PATIOS!

Patios have long been a major part of the work we do here at Green Grass, Inc. We specialize in all types of concrete pavers, clay pavers and natural stone. A patio is a major part of any backyard landscape, often setting the tone for the rest of the project. Contact us today to set up an appointment with one of our designers to get started on yours today! Here's just a small sampling of our work....
