

President's Message

Thank you all for taking the time to read our first newsletter of 2016. More importantly, thank you for being a loyal customer of Green Grass. This past year marked our 20th year in business. As those early years were comprised of a few high school friends and me, we have now grown to over 65 employees during our busy season. Much has changed since the days of parking the truck and trailer next to my parent's garage. I know they are all too happy to see that truck gone!

I have been very fortunate to have surrounded myself with very good people. We have strived to create a culture of taking pride in our work. Without these people, our company would not be where it is today and I cannot thank them enough.

As we embark upon our 21st year, I ask you to continue to spread the word about Green Grass. Our business has grown from the early years until now based entirely upon referrals. Thank you again for your continued support.

Best, Chris Paul

Summer Annuals

Be sure to call our office today to reserve your summer annuals. We are currently taking orders for May installs. We offer a full selection of annuals including, but not limited to: Petunias, Geraniums, Impatiens, Begonias, Marigolds and Salvia. Get that curb appeal you've been looking for with the bright and long-lasting flowers of summer annuals.

Project Spotlight

This expansive front entry was part of a major home renovation in Hinsdale. Long, linear thermal finished bluestone slabs were used as steps along with wide bluestone planking to create a contemporary feel. Mortared limestone walls were used to replicate the exterior stone and tie all of the front entry elements together.
